

Lincoln School Direct Appeal

2019-2020

The Direct Appeal provides funds to Lincoln School for:

- *Teacher & Classroom support* – Last year we provided \$6,000 for new books in EVERY classroom to support the new science curriculum as well as diversity and inclusion.
- *Student Activities* – Last year we purchased playground equipment including the Gaga pit. We will also be able to partially subsidize the activity fee for enrichment activities this year.
- *School Social Events* – The LSPA funds the Health Fair and STEAM night.
- *Community Outreach* – The LSPA provides funds for Authorfest.
- *Special Projects* – Last year we brought Jesse Ruben and the We Can project to Lincoln. We also hosted the Bamidele Afro-Brazilian Dancers and Drummers as part of our diversity programming.

This year our goal is to raise \$25,000 to support our school. Check out the thermometer in the lobby to see our progress.
